1. Aims

The Trust aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the initial teacher training and early career framework (ITTECF)
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme

2. Legislation and statutory guidance

This policy is based on:

- The Department for Education’s (DfE’s) statutory guidance [Induction for early career teachers \(England\)](#)
- The [Initial teacher training and early career framework - GOV.UK](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)
- The ‘relevant standards’ referred to below are the [Teachers’ Standards](#).

This policy complies with our funding agreement and articles of association.

3. The ECT induction programme

The induction programme will be underpinned by the ITTECF, enabling ECTs to understand and apply the knowledge and skills set out in the ITTECF.

Forward Education Trust (FET) uses Arthur Terry Teaching School Hub (ATTSH) as the full induction training provider and Appropriate Body.

Prior to the ECT serving their induction, the headteacher and Appropriate Body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

The programme is quality assured by ATTSH, the 'Appropriate Body'. The Headteacher is responsible for making the recommendation to the Appropriate Body that an ECT has met the required standard at the end of the induction period.

3.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed **induction tutor**, who will have qualified teacher status (QTS) and oversee the assessment aspect of the ECT induction
- Have an appointed **ECT mentor**, who will have QTS and oversee the development aspects of ECT induction
- Ideally, where possible, have an ECT mentor and induction tutor who are two different people as the roles are very distinct. A person should only have both roles in exceptional circumstances. If one person does carry out both roles, then they will need sufficient capacity to carry out both aspects effectively
- Have a reduced timetable to allow them to undertake activities in their induction programme. In their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis without appropriate support to manage the behaviour challenges within the context of the school and its pupils' needs.

3.2 Support for ECTs

Schools support ECTs with:

- Their designated ECT mentor, who will provide regular structured mentoring sessions, fortnightly coaching sessions, day to day support and targeted developmental feedback from classroom drop ins
- Their designated induction tutor, who will provide monitoring, conduct formal lesson observations and feedback on progress at least once a term, and co-ordinate their assessments

- The induction tutor will hold regular professional reviews of the ECT's progress. These meetings will take place in Year 1, terms 1 and 2 and in Year 2, terms 4 and 5. During the meeting the induction tutor and ECT will discuss progress, identify next steps and plan support needed.
- Where there is a formal assessment point: Year 1 term 3 and Year 2 term 6, the induction tutor will meet with the ECT and share the outcome of the assessment, identifying strengths and current needs in relation to the teacher standards.

Year 1 term 1 – progress review	Year 1 term 2 – progress review	Year 1 term 3 – assessment point 1
Year 2 term 4 – progress review	Year 2 term 5 – progress review	Year 2 term 6 – assessment point 2

- Chances to observe experienced teachers, either within the school or at another school with effective practice
- Access to the full induction programme provided by ATTSH which includes online self-study materials, face to face training sessions and online webinars.
- As stated in section 3.1, it is recommended that the role of the induction tutor and the ECT mentor are carried out by two separate people as the two roles are very distinct. A person should only have both roles in exceptional circumstances. If one person does carry out both roles, they will need sufficient capacity to complete both aspects effectively.

3.3 Assessments of ECT performance

ECTs are exempt from normal appraisal procedures during their induction period.

Formal assessment meetings take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6) and will be carried out by the induction tutor. The induction tutor completes a report and uploads to ECT Manager.

These meetings will be informed by clear and transparent evidence gathered from the two previous progress reviews of engagement in their induction programme and from the ECT's work as a teacher and captured in the ECT mentor meeting record or the school's records, which then inform the termly progress reviews.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report (assessment point two, term 6) at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.

A copy of the formal assessment report will then be sent to the Appropriate Body, via ECT Manager. The final assessment report will be sent within 10 working days of the meeting, and by the set deadline, for the Appropriate Body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves their post after completing one term or more but before the next formal assessment point, the induction tutor or headteacher should inform the Appropriate Body (ATTSH) and complete an interim assessment. This ensures that the ECT's progress and performance since the last assessment is captured.

3.4 At-risk procedures

If it becomes clear during a weekly ECT mentoring meeting, or a termly progress review, or at the first formal assessment point, that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, and a support plan developed (**Appendix 3**), ensuring that:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance
- A realistic time period is agreed upon in which progress will be made
- A date to review the support plan is agreed

The progress review record or formal assessment report will be shared with the Appropriate Body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

3.5 Capability procedures

In the event of serious capability concerns, the headteacher can decide to instigate capability procedures in line with our capability policy. They will inform the Appropriate Body when these procedures are instigated.

The ECT's induction process will continue alongside these capability procedures for as long as the ECT remains at the school, or the procedures are concluded.

4. Roles and responsibilities

4.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction
- Meet with their ECT mentor / induction tutor at the start of the programme to discuss and agree priorities, and keep these under review
- Agree with their ECT mentor / induction tutor how best to use their reduced timetable allowance and guarantee engagement with their Early Career Training Programme, including the online study, attending regional training sessions and taking part in mentoring and coaching sessions with their ECT mentor.
- Provide evidence of their progress against the relevant standards (e.g. planning, from a lesson observation, a book scrutiny, drop in, learning walk etc.)

- Participate fully in the full induction programme (in school, at the Trust and through Arthur Terry Teaching School Hub)
- Participate in scheduled classroom drop-in sessions and observations, progress reviews and formal assessment meetings
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period
- Keep copies of all assessment reports

When the ECT has any concerns, the ECT will:

- Raise these with their ECT mentor / induction tutor at the earliest opportunity

4.2 Role of the headteacher

The headteacher will:

- Check that the ECT has been awarded QTS and whether they need to serve an induction period
- Ensure that ECTs are registered with the DFE
- Ensure that the Appropriate Body is notified when an ECT is taking up a post and undertaking induction
- Make sure the ECT's post is suitable according to statutory guidance (see section 3.1 above)
- Make sure the induction tutor is appropriately qualified and trained and has sufficient time to carry out their role effectively
- Make sure the ECT mentor is appropriately qualified and trained and has sufficient time to carry out their role effectively
- Ideally, allocate the role of induction tutor and ECT mentor to two different people, or ensure that if it is one person, they have sufficient capacity to be able to carry out the two distinct roles. Note: a person should only have both roles in exceptional circumstances.
- Make sure that the ECT accesses the Early Career Training Programme through Arthur Terry Teaching School Hub and also ensure that the ECT receives in-school induction
- Make sure the ECT's progress is reviewed regularly, including through observations of and feedback on their teaching
- Make sure that formal assessments are carried out and reports completed and sent to the Appropriate Body
- Maintain and keep accurate records of employment that will count towards the induction period
- Make sure that all monitoring and record keeping is done in the least burdensome and most streamlined way
- Inform the Trust of the support arrangements in place for the ECT
- Make a recommendation to the Appropriate Body on whether the ECT's performance against the relevant standards is satisfactory
- Participate in the Appropriate Body's quality assurance procedures of the induction programmes
- Keep all relevant documentation, evidence and forms on file for 6 years

4.3 Role of the induction tutor

The induction tutor will:

- Lead and co-ordinate the delivery of the ECTE in the school
- Update the DFE about any changes to the ECTE in the school
- Provide guidance and effective support to the ECT (with the Appropriate Body where necessary)
- Carry out regular progress reviews during the induction period – Year 1, terms 1 and 2 and Year 2, terms 3 and 4.
- Undertake 2 formal assessment meetings during the induction period, coordinating input from the ECT mentor as appropriate – Year 1 term 3 and Year 2 term 6.
- Inform and meet with the ECT following reviews of their progress against the relevant standards, and share records with the ECT, ECT mentor, headteacher and Appropriate Body
- Inform the ECT during the formal assessment meeting of the judgements to be recorded on their formal assessment record and invite the ECT to add their own comments
- Make sure that the ECT's teaching is formally observed, and feedback is provided once every half term
- Make sure the ECT is aware of how they can raise concerns about their induction programme or their personal progress, both within and outside of the school
- Take prompt, appropriate action if the ECT appears to be having difficulties
- Make sure that all monitoring and record keeping is done in the least burdensome way, and that ECTs are not asked for any evidence that requires the creation of new work
- Work closely with and share outcomes with the ECT mentor

4.4 Role of the ECT mentor

The ECT mentor will:

- Prepare for and regularly meet with the ECT for structured mentor sessions to provide targeted feedback and enable professional reflection (including using the ATTSH mentor materials). This will be weekly in year 1 and fortnightly in year 2
- Support the ECT to relate their training to their specific subject area, phase and context
- Use the diagnostic tools provided to tailor the training content to the needs of the ECT
- In year 1, carry out fortnightly classroom drop-ins and provide fortnightly coaching sessions for ECTs (alternate weeks)
- Work with the ECT, and colleagues within the school who are involved in the ECT's induction, to help make sure the ECT receives a high-quality ITTECF-based programme
- Provide, or arrange, effective support – including subject-specific, phase-specific, coaching and/or mentoring, observation of other practitioners
- Act promptly and appropriately if the ECT appears to be having difficulties, sharing information with the induction tutor
- Participate fully in the ECT mentor training (delivered by ATTSH) and the Trust ECT Mentor Network

- Keep written records of weekly/fortnightly meetings, either using a Trust template or in own format

4.5 Role of the Trust (responsibility delegated to Director of Governance and Development)

The Director of Governance and Development will:

- Make sure an appropriate Early Career Training Programme is in place across the Trust through a local Teaching School Hub and national ITTECF training provider and signpost Headteachers to ensure that ECTs are registered.
- Agree, in advance of the ECT starting, who will act as the Appropriate Body. Note: The Trust uses Arthur Terry Teaching School Hub, who work with the national provider Education Development Trust, to provide the Early Career Training Programme and as the Appropriate Body.
- Make sure Trust schools comply with statutory guidance on ECT induction
- Make sure Headteachers of Trust schools fulfil their responsibility to meet the requirements of a suitable induction post
- Seek guidance from the Appropriate Body if any questions arise on the quality of the induction arrangements and the roles and responsibilities of staff involved in the process
- Request general reports on the progress of the ECT on a termly basis
- Provide updates and communications to headteachers, ECT mentors, Induction tutors and ECTs
- Support schools with proformas to collect information about compliance and ECT learning in order to inform assessment judgements
- Facilitate the sharing of best practice through the ECT Mentor Network.
- Meet with ECTs on a bi-annual basis to discuss their wellbeing and progress.
- Co-ordinate the Trust offer for ECTs, to complement the national, regional and online sessions.
- Report to the Education Committee on ECTs' progress on at least a termly basis

4.6 Role of the Board of Trustees (delegated to the Education Committee)

The Board of Trustees will:

- Receive reports on ECTs' progress on at least a termly basis.
- Be satisfied that Trust schools are complying with statutory guidance on ECT induction.

5. Monitoring arrangements

This policy will be reviewed **annually** by the Director of Governance and Development. At every review, it will be approved by the Trust Education Committee.
